

Arigato Obaachan

(Thank You Grandmother)

Since 1900, Buddhist women have been the foundation for the propagation of Jodo Shinshu Buddhism in the Buddhist Churches of America. Through their sacrifice, hard work, dedication, generosity, and pursuit of the Buddha Dharma, they showed us all how to “Live the Nembutsu”. Let us honor and say thank you to our Grandmothers, Mothers, Aunties and other female relatives by making a special donation in their names in support of the 2019 World Buddhist Women’s Convention in San Francisco, California.

Donation levels are as follows:

<i>Gold Bodhi Leaf</i>	<i>\$1,000 and up</i>
<i>Silver Bodhi Leaf</i>	<i>\$100 to \$999</i>
<i>Bronze Bodhi Leaf</i>	<i>\$50 to \$99</i>
<i>Lavender Bodhi Leaf</i>	<i>\$20 to \$49</i>

The Bodhi leaves with the name(s) of the honoree(s) and donor(s) will be displayed at the Convention from August 30, 2019, through September 1, 2019.
